

*Our Shop is Your Shop!*

From subtle elegance to modern sophistication, the smooth, uniform appearance of TSM FW1 Flush panel is certain to please. This expertly crafted panel is ideally suited for a wide range of applications, included fascias, walls, equipment screens and soffits. The concealed male and female connection achieves a distinctly superior finished look and stiffener beads also can be used to further safeguard the flush appearance.

TSM is the premier supplier and fabricator of metal roofing systems in the greater NY metropolitan market!
