

TSM 450SL Profile

Our Shop is Your Shop!

Installation ease with impeccable results makes our TSM 450SL roof system a standout choice. The 1-1/2" Snap Lock profile and TSM 450SL Clip create a continuous interlocking system that installs quickly, reducing labor costs. The concealed fastener and clip application also allow thermal expansion and contraction movement to help keep the beautiful finish straight and true.

TSM is the premier supplier and fabricator of metal roofing systems in the greater NY metropolitan market!

Ideal Application:

Commercial

Residential
